

Room Hire at Durning Hall community Centre

Durning Hall is located in the heart of Forest Gate, E7 9AB. Well connected with regular transport links into central London and out to Essex, we are a three minute walk from the train station.

Each of our rooms has it's own character, from a 150 capacity hall complete with a working stage, to smaller, more intimate meeting and conference spaces.

We offer reduced rates for local community members as well as for organisations with a charitable status.

If you are interested in booking any of our rooms please get in touch with one of our team.
