

## MENTORING

Our experienced development staff can work with you over a period of 4 to 6 sessions. We can suggest ways to move forward, help with templates and models, and support you while you find the best solution for your organisation.

Examples of issues covered with groups include registering your organisation as a charity or company, employing staff for the first time and quality assurance.

Fees: £70 per session

## RESEARCH

We can be commissioned to undertake pieces of research. This could be:

- A feasibility study on a new or planned area of work.
- An evaluation of a project.
- Researching evidence of need to support a funding application.
- Finding answers to questions about your field of work to raise your profile and help with funding bids.

Fees: £350 per day

## ORGANISATIONAL REVIEW

We can provide an in depth analysis of your organisation through:

- Talking to staff, trustees and users.
- Reviewing your structure and infrastructure (policies and procedures).
- Producing an independent report outlining your strengths and challenges.
- Offering an option to create a development plan with staff and trustees at a later date.

Fees: start from £3000

## EVALUATION & MONITORING

We can help evaluate a project or create a monitoring and evaluation framework through:

- Advising on evaluation and monitoring models or customising existing systems.
- Designing an organisation wide monitoring and evaluation framework.
- Reporting on the impact of your work.
- Undertaking an independent evaluation of projects for funders and management.

Fees: £350 per day

## ORGANISATIONAL HEALTH CHECK

If you're unsure about your organisation's next steps, we can help through:

- Meeting with senior staff and/ or trustees for a short workshop.
- Producing a brief report of the workshop showing strengths and areas for development.
- Meeting with your to help you plan the next steps for your organisation's development.

Fees: £200
