Youth Works...

We are a group of charities and youth specialists from across the borough. We have come together to provide the young people of Newham with a more joined up approach to youth groups and clubs.

From boxing and BMXing to come dine with me, drop in sessions, music production, sports and life advice – our aim is to have something for everyone.

Included is the program of activities for young people aged 12 - 15 with Special Educational Needs and Disabilities.

Don't sit around being bored, get up and take part!

Take a look at our timetable then get in touch or just turn up to join in.

For more information on everything that is available across the borough head to our Twitter or web page.
